INVITATION LETTER

Dear Professor Tanja Bagar

On our 10th anniversary, we organize *The Second International Congress of Moldovan Society for the Study and Management of Pain*.

Date: **20-22 of October, 2016.**

Place: **Palace of National Trade Union Confederation, 31 August 1989 Street, no. 129, Chisinau, Moldova.**

Official languages of the Congress: **English, Romanian and Russian.**

The event is organized under the auspices of the *European Pain Federation, EFIC*. Our partners and co-organizers are the *Ukrainian Association for the Study of Pain, Romanian Society for the Study of Pain, Society of Anesthesiology and Reanimatology from Republic of Moldova*.

The event will be multidisciplinary and will address topics regarding clinical and fundamental research of nociception and pain (physiology, pharmacology, technologies, education and international cooperation). Also, presentations will be held referring acute and chronic pain (types and clinical entities) in evaluation, diagnosis, pharmacologic and non-pharmacologic treatment and rehabilitation. Besides local lectors, famous professors from Germany, France, Israel, Ukraine and Romania will participate as well.

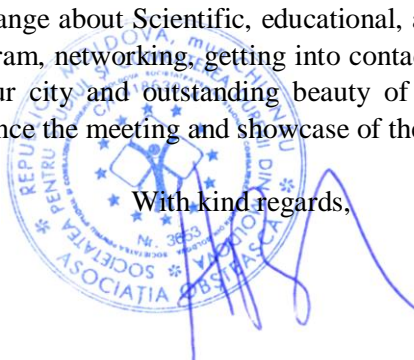

We are honoured to invite you to join our congress **as a speaker** and discuss together development perspectives of the management of acute and chronic pain in the Republic of Moldova.

On our behalf we will cover costs for accommodation, airport transfers (if needed), and participation in all scientific and social events of the Congress.

Unfortunately, our budget cannot cover travel expenses.

The *Second International Congress of Moldovan Society for the Study and Management of Pain* will be an excellent occasion to assemble medical professionals from Eastern Europe, as well as a huge opportunity to exchange about Scientific, educational, and many other aspects of pain management. In addition to the scientific program, networking, getting into contact with colleagues, we will endeavor that you enjoy the warm hospitality of our city and outstanding beauty of our countryside throughout and exciting social program, dedicated to enhance the meeting and showcase of the region.

With kind regards,

Adrian Belai, PhD, university professor
